LES BALCONS DE BELLE PLAGNE SPA EXPERIENCE

Located in the heart of the Belle Plagne resort, Les Balcons de Belle Plagne****spa is an invitation to relax after a day in the mountains. The wellness area features a swimming pool, whirlpool baths and sauna, all bathed in natural light and offering superb views of the surrounding peaks.

We offer a complete range of treatments from Thalgo, a leading French brand that has been pioneering marine cosmetology since 1964. Regularly awarded prizes for its innovations, it draws its inspiration from the heart of the sea, a source of vital energy thanks to its concentration of minerals and trace elements. The products and protocols are based on marine extracts and algae with a unique revitalising power and 90% of the ingredients are of natural origin.

Our face & body treatments and rituals combine technical expertise, performance and sensoriality.

The duration of the cares includes the time to settle in the cabin.

All our cares and massages are made for relaxation and not for therapeutic or medical purposes.
