THALGO
LA BEAUTÉ MARINE

We offer a complete range of treatments from Thalgo, a leading French brand that has been pioneering marine cosmetology since 1964. Regularly awarded prizes for its innovations, it draws its inspiration from the heart of the sea, a source of vital energy thanks to its concentration of minerals and trace elements. The products and protocols are based on marine extracts and algae with a unique revitalising power and 90% of the ingredients are of natural origin.

Our face & body treatments and rituals combine technical expertise, performance and sensoriality.
